Education

Hanoi-Amsterdam High School for the Gifted — Hanoi

Grade 9 GPA: 9.7 — Sep 2024 -

Grade 10 GPA: 9.4 — June 2027

Grade 11 GPA: 9.x

Standardized Tests

IELTS: 7.0 — April 2025

SAT: Not taken yet — xxx 202x

Honors & Awards

Gold Medal | AI & Generative Content (AIGC) Competition — Singapore

- *Engineered GenAI-driven predictive models across 50+ media crisis case studies to forecast brand recovery timelines and customer loyalty dynamics.* — 2025

Gold Medal | World Invention Creativity Olympics (WICO) — Korea

- *Developed an eco-friendly herbal mouthwash with 99.9% antibacterial efficacy by optimizing bioactive compound extraction and reducing manufacturing costs.* — 2025

Gold Award | AX Global Olympiad — Korea

- *Investigated anti-inflammatory bioactivity and formulated a Sambucus javanica herbal hydrogel to target joint and muscular swelling.* — Jul 2026

Research Experience

Research paper: Optimization and Process Scale-up for the Synthesis of Pharmaceutical-Grade N-Acetyl-DL-Leucine from L-Leucine - [Detail] — Jul - Sep 2026

ISSN: 3048-5037 | Volume 3 Issue 3 | Paper Id: IJMSM-V3I3P106

Highlights:

- **Optimized an eco-friendly, two-step aqueous synthesis** of pharmaceutical-grade N-acetyl-DL-leucine from L-leucine, eliminating organic solvents and hazardous gaseous reagents.
- **Successfully scaled up production to a 1 kg/batch capacity** in a 5-L jacketing glass reactor, achieving an 87.28% overall yield with a 98.1% API assay purity.
- **Validated complete chemical structure and racemization** ($[\alpha]_D^{20} = 0^\circ$) using FTIR, ESI-MS, ^{1}H-NMR, and ^{13}C-NMR spectroscopic methods alongside pharmacopoeial quality control standards

Personal Project

Project name: Research & Development of Optimized Paracetamol Effervescent Granules — Sep 2025 - Feb 2026

Key Features / Highlights:

- **Formulation Engineering:** Developed an optimized pharmaceutical formula for effervescent granules using Paracetamol ($C_8H_9NO_2$), integrating key excipients like Citric Acid, Tartaric Acid, and Sodium Bicarbonate to enhance dissolution rates and bioavailability.
- **Manufacturing Process Control:** Mastered a multi-step wet granulation technique, including precise binder solution preparation (PVP in ethanol) and controlled drying/sieving processes to ensure uniform granule size (0.8 mm- 1.0 mm) and chemical stability.
- **Quality Assessment & Optimization:** Conducted rigorous testing on disintegration time (achieving < 5 minutes), effervescence duration, and pH levels to ensure high patient compliance and superior therapeutic quality compared to conventional tablet forms.

Leadership

Vice President | Ams Crew 2024-2026

- **Strategic Leadership:** Co-managed the operations of the most prestigious dance club in Hanoi-Amsterdam, overseeing a diverse team of 50+ members and coordinating 10+ large-scale events annually.
- **Organizational Growth:** Spearheaded the recruitment and training strategy for the 2024–2025 term, increasing the audition turnout by 30% and selecting the top 5% of talent from over 200 applicants.
- **Conflict Resolution:** Acted as a primary mediator between departments (Expertise, Finance, and Media), resolving 100% of internal logistical bottlenecks and ensuring a cohesive working environment under high-pressure deadlines.

Social Work & Activities

Member of Finance Department | Life's So Drama - On Stage 2025: "Rach Can" 2024-2025

- Managed financial planning and resource allocation for the theatrical production "Rach Can".
- Optimized resource distribution by implementing a new expenditure tracking system, reducing unnecessary costs by 15% while maintaining high-quality stage props and costumes.
- Collaborated with the executive committee to maintain financial transparency throughout the 2025 stage production.

Member of Expertise Department | SHOWCASE 25: GỬI LỬA 2025

- Directed technical and creative segments for a high-profile performance reaching 1,000+ attendees.
- Orchestrated 60+ rehearsal hours, ensuring 100% precision in sound, lighting, and stage coordination.
- Collaborated with 20+ specialists to refine artistic delivery, achieving a 98% positive feedback rating.

Member of Expertise Department | Ams Crew 2024-2025

- Executed advanced dance techniques and choreography for school-wide performances, maintaining the high artistic standards of the most prestigious crew in Hanoi-Amsterdam.
- Directed over 80+ rehearsal hours for major institutional events, ensuring seamless synchronization and professional stage presence for a team of 30+ dancers.

Member of Backstage Department | Life's So Drama - On Stage 2024: "Nam Ngan Dam" 2024

- Executed complex stage setups and prop transitions for a full-scale theater production with 500+ attendees.
- Managed a backstage crew to ensure 100% seamless scene transitions within strict 30-second intervals during live performances.
- Resolved over 10+ real-time technical issues related to stage lighting and structural integrity, ensuring zero delays in the production schedule.

Local Sponsor & Volunteer | SOS Children's Village Hanoi 2025

- Acted as a local sponsor to organize "Happy Lunches" for 8 SOS families, directly supporting nutritional needs and community bonding.
- Spearheaded traditional folk games and cultural activities for 50+ underprivileged children to celebrate the New Academic Year 2025/2026.

Professional Experience

Chemistry Research Intern | Hanoi University of Science and Technology (HUST) 2026

- Executed laboratory synthesis protocols, sample extraction, and chemical testing under faculty supervision.
- Maintained detailed laboratory logs and managed experimental data to support academic research output.
